THE MILLENARIANS

The Millenarians are a group of prelates of the Vatican. They have written this daring book drawing from their pluri-decennial ministry at the summit of the Curial Hierarchy.

The time has come in which the church must ask forgiveness for the many infidelities and betrayals, particularly of those who are placed in authority, at the summit of the ecclesiastical hierarchy.

NOTE OF THE EDITORS

Although laic and anti-clerical, the KAOS EDITIONS publishes this book of religious character, written by some Prelates of the Vatican Curia, seriously critic of the Vatican nomenclature that comes from within the palace of the Roman Church; it is a text that the Catholic publishing would have left unpublished.
