**THE MUSLIM WORLD BOOK REVIEW** (ISSN 0260—3063) is a quarterly publication of the Islamic Foundation. The four issues are published in Autumn, Winter, Spring and Summer.

**THE MUSLIM WORLD BOOK REVIEW** aims to present the Muslim viewpoint on books and issues which concern Islam and Muslims. At a time of near explosion in the growth of interest in these areas accompanied by a highly disappointing level and quality of information, this review journal aspires both to inform and stimulate the lay readers as well as the scholars, through in-depth review, short introductions and select bibliographies.

The opinions expressed in the Muslim World Book Review are the writers' own. They are not necessarily in accordance with the views of the Islamic Foundation.

**THE ISLAMIC FOUNDATION** is an educational and research organisation devoted to make Islam a living reality in our age. For this purpose, it aims at improving human communication and developing a better understanding of Islam among all people of the world, Muslim and non-Muslim, so as to galvanise man to the message and ideal of One God and the unity of mankind, as brought by all the Prophets of God throughout the ages, last of whom was the Prophet Muhammad (blessings of Allah and peace be upon him).

Materials from this Review may be reproduced in any other periodical provided proper acknowledgement is made and a copy of the periodical is sent to us. Request for permission to reproduce in any other manner whatsoever should be addressed to the Editors.

The Editors invite submission of book reviews ranging from 250—1200 words from scholars who are interested in various aspects of the Muslim world. An inquiry letter may be sent beforehand to acquire a review copy and inform the editors of their areas of interest.
